

All Sizes Fit One

By Daniel Varona

I carry the load 'cause my knees won't shatter
I'm building the road 'cause my resolve won't falter

Experience has taught me my thoughts don't matter
Covered in dust, covered in rust
No need to analyze, it's time to trust

Trust the sweat, trust the blood
Trust the tears all over the road
The city has been built and the crown has been forged

All sizes fit one
Now I have the floor

Running from a past that's like a heat-seeking missile but
I have to trust

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

There's a vision I'm trying to share
But it only works if you care
It's vicious and brutal out there
So please listen before you go and compare

I'm not what you think I am but
I'm exactly what you wish I was

I went around the block with no regard for the clock
And I saw what you see, a whole world that's lost at sea

So listen and learn 'cause humility is earned
By walking alone down a path you don't know
Looking for a spark that can brighten the dark
While everyone thinks you're just trying to leave your mark

Running from a past that's like a heat-seeking missile but
I have to trust

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play

No gas, no flares, no need to pray
No gas, no flares, I'll hit eject
No gas, no flares, It's time to play
